NOTICE OF INTENTION. Notice is hereby given by the Board of Commissioners of Ogden City, Utah, of the intention of said Board to make the following described im-

provements, to-wit: —
To create both sides of 25th Street Taylor to Filmore Avenues; both sides of McIntosh Avenue from Filmore to Pierce Avenues and the south side of McIntosh Avenue from Pierce Avenue enst 105.00 feet; both sides of 26th Street from Taylor Ave-nue to a point 105.00 feet east of Fierce Avenue; both sides of Binford Avenue from Taylor Avenue to a point 105,00 feet east of Pierce Ave-nue; both sides of 27th Street from Taylor Avenue to a point 105 00 feet east of Pierce Avenue; the east side of Taylor Avenue from 25th to 27th Streets, the east side of Filmore Avenue from 25th Street to McIntosh Avenue; both sides of Filmore Avenue from McIntosh Avenue to 27th Street and both sides of Pierce Ave iue from McIntosh Avenue to 27th Street, including all intersections, as sidewalk district, and to construct therein a concrete sidewalk six feet wide and four inches in thickness together with the necessary grading therefor, and to defray the whole of the cost thereof, estimated at \$10,000.00 by a local assessment upon the lots pieces of ground lying and being within the following district, being the district to be benefited or affect

ed by said improvements, viz:-All the land lying between the out er boundary lines of said streets and avenues, and a line drawn 50 feet outward from and parallel to the sald

outer boundary lines. All the protests and objections to the carrying out of such intention must be presented in writing to the City Recorder on or before the 15th day of January, 1914, at 10 o'clock a.m., that being the time set by said Board of Commissioners when they ill hear and consider such objections as may be made thereto, at the mayor's office, at the City Hall, Ogden City, Utah.

By order of the Board of Commis-sioners of Ogden City, Utah. Dated this 23rd day of December 1913.

A. G. FELL, Mayor. H. J. CRAVEN, City Engineer. First publication Dec. 23, 1913.

INTENSE COLD CAUSE

MANY DEATHS Parls, Dec. 30.-Intense cold, the like of which has been unknown during the past decade in France, Spain and Portugal has caused numerous deaths, as the populations of the three countries were unprepared for such rigorous winter. The temperature registered in the south of France has reached from four to six degrees be-

Boston, Dec. 30.—"I am willing to sell my husband for \$1,000 cash," is alleged to have expressed his wil-

name in the newspapers, continued: I see where you need a husband to take care of your property and to want money to open a boarding house He will be content to tend the baby. As for me I'd rather have my cat."

TENTH MEMORIAL MEETING IS HELD

Chicago, Dec. 31.—In the little hospital which was erected as a monu-ment to the 67 victims of the Iroquois Theater fire of December 30. 1903, friends and relatives of those who lost their lives yesterday attended the tenth annual meeting since the founding of the institution. The meeting is held every year on the an-niversary of the disaster.

The annual report of the superin-

tendent showed that the Iroquols me morial emergency hospital last summer treated more heat prostration cases than all of the other Chicago hospitals

MEXICAN SMELTERS

Smelting & Refining company this "blasphemy ag year. An authority in reviewing the it altogether." subject says:

Starting with prospects as bright as could reasonably have been asked, the year 1913 has proved one of dis-appointment for the American Smelt-in California since women got the A GOOD 4-room cottage with city appointment for the American Smeltwater and electric lights, well locat
ed, near depot, only \$1,400; any kind
of terms. J. J. Brummitt, Phone 59. ing & Refining company and its sub- vote. situation in Mexico, where from a quarter to a third of the company's A BRICK cottage, close in, in best quarter to a third of the company's residence district, reasonable, terms interests are, became very unsettled. The new administration was unable to maintain order in the northern provinces of Sonora and Chihuahus I do, anyway."—From "Below the Projector, has been invented for amaand the smelting company had to con- Rio Grande."

tend with the old difficulty of con-stantly interrupted railroad operations, with consequent inability to move in supplies and ship out bullion. Time and again it became necessary to shut down the mines and smelters PERSONAL.

Shut down the mines and smelters at different points for varying lengths of time. Nevertheless, the company succeeded in showing in its report for the first half year profits equal to 4.12 per cent in the common stock, as compared with 4.76 per cent for the phone Parley Holmes, 1107M. the same period in 1912. In brief, the corporation carned its common dividend for the year in six months, although this showing was made in considerable degree at the expense of

> Gross income fell off nearly \$1,000,000 as compared with the previous year In the second half year matters in Mexico went from bad to worse. Operations during the first six months were at about 75 per cent of the rated capacity of the Mexican plants, but it is doubtful if the last half of the will show better than 50 cent. At this time of writing the company, of its five Mexican smelters, is operating only the Aguascal lentes plant, although daily that some of the plants may be able to resume."

depreciation charges, which were cut from \$1,209,000 in 1912 to \$588,000

HOMESTAKE OUTPUT

SHOWS FALLING OFF oreliminary estimates by Charles W. Henderson of the United States geological survey, was \$7,200,000, which is \$691,370 less than the record with the control of the contro is \$691,370 less than the record yield of \$7,891,370 in 1912. The 1913 output, however, is above the yearly average for the last decade. The silver production fell from 206,460 oun-A nominal ces to 164,800 ounces. quantity of lead and copper was produced.

The Homestake mine were operated, continuously, through-out the year, but with a considerably decreased output. During the year wenty stamps were added to the 1000 stamp equipment. A considerable tonnage was mined by "glory-holing and by caving above the 700-foot level. The Golden Reward company completed a seventy-five-ton roaster at its Astoria shaft early in the year, and experimented with the roasting of the sulphide or "blue" ores before cyanidation. The Lundberg, Dorr & Wilson mill was closed in August aving been operated since 1904. The Buxton and Bonanza mines of this ompany were also closed. The Mogul company was occupied in building a new mill at the mine at Terry to replace the old mill at Plunis, burned in March, 1912. The new mill will be of the continuous countercurrent decantation type and will not be completed until 1914. The Troan mine and mill were operated stea-The New Reliance mill was operated on company and custom ore At this property diamond drills have been installed for prospecting. The Wasp No 2 company, mining by the open-cut system, using a steam showel for stripping, closed its mill in October until spring of next year. The Bismarck 300-ton cyanide mill, under construction in 1912, was placed in

peration in April. Placer production was nominal the dredge at Mystic being idle. In Pennington county development work was done at the Forest City mine. and the reopening of the Dakota-Cal-umet copper property is in prespect.

People Worth Watching. There are certain persons physiognomists say should be avoid- man. Cierk, Ben phone 1247-J. ed by certain other persons. Thus, the talker is warned to keep away from the person with the overhanging forehead, for he will prove exceedingly deep in argument. The business man is advised to watch carefully when dealing with the man with the receding forehead and chin, the large, curved and prominent nose, for he will

Greek Rufers. Greece has not treated her rulers well since she threw off the yoke of the sultan ninety years ago. At the outset she tried a president, Capodistria, who was soon assassinated; then Otho of Vavaria was chosen king, but after a stormy time was forced to abdicate. After that the crown went begging for a while. The duke of Edinburgh and the earl of Derby both refused it, and it was common talk that "Mr. Gladstone could have had It by the lifting of an eyelid."

Flowers That Yield Soap. The best of these is the sonpwort, dially invited to attend. C. H. Pear which contains a much agine son, C. C. D.L. Boyle, S. and T. which lathers freely, but almost equally good for washing purposes are the corn cockie, the wild lychnis, the page cost one cent per word, each in-scarlet pimpernel, and the familiar servion. But no first insertion can clove. The fruit of the horse chestnut, also, has saponine qualities, and is largely used in place of soap in rural districts on the continent.

Was Returning. Sam Jimpson, colored, had a colored neighbor of some means, who was unkind enough to build a high board fence about his yard, wherein grew many luscious melo as. One day Sam found a hole in the fence, and, licking his lips, he started to crawl through. The neighbor happened to be standing near the hole, "Heah, you!" he cried, "whah you gwine?"
"I'se gwine back," said Sam, quickly suiting action to word.

How Shaving Originated. The comparative advantages and propriety of shaving the face and of permitting the beard to grow are not at the funeral of the late Sovereign easy to determine. On the side of non-shaving it has been argued that CAUSE FOR WORRY, nature must have bestowed beards on Its smelters in Mexico have been a men for the purpose of being worn, source of tribulation to the American and that, as Tertullian affirmed, it was "blasphemy against the face to reject

"Let Jane Do It."

Defendant The State of Utah to the said defendant: You are hereby summoned to appear within twenty days after service Notice is hereby given that the an of this Summons upon you, if served within the County in which this ac tion is brought, otherwise, within thirty days after service, and defend

> be rendered against you according to the demand of the complaint, which has been filed with the Clerk of said Court.
> This action is brought to recover a judgment dissolving the marriage con-

the above entitled action; and in case of your failure so to do, judgment will

and hitherto existing between you and the plaintiff HALVERSON & PRATT, Plaintiff's Attorneys P. O. Address, Room 510 First Nation

al Bank Building, Ogden, Utah.

DECLARES FOOTBALL HURTS EXAGGERATED York, N. Y., Dec. 30 -The Naional Collegiate association at its eighth annual convention today re-ceived a protest against the tendency

to attribute to football more fatali-

W Ehlers, director of physical edu-

cation at the University of Wiscon-

among college players last season on ly one was due directly to football injuries.
The deaths of Homer H. Wray of Gettysburg, Pa., college and of Ed-ward Morrissey of St. Ambrose Col-legiate academy. Davenport. Professor Ehlers attributed to neglect of their injuries and failure to receive pose of electing officers and considering bids for the sale of the property of the Association, and any other business which may regularly come before the stockholders. ed, cannot be traced to football at all. The death of Verner S. Belyea of Norwich university Northfield, Vt., the report finds, was caused by a fierce and unnecessary tackling flerce and unnecessary tackling which broke his back after he had already been tackled and downed.

Salt Lake, Dec. 31.—Philip iden, bet ter known as "Phil Dugan," a horse collar maker by trade, was found dead in his room, 223 South West Temple street, at 8 o'clock yesterday morning. Death was caused, it is thought, and poeumonia. PLACE ON LIS" PLACE ON LISTS

den's roommate. Patrick Relily, who was taken in custody by the police for a short time after he reported his partner dead. Iden had had a scalp wound, from which he had bleat profusely, and it was believed that he might have suffered foul play. An examination of the wound at the undertaking rooms of O'Donnell & Co. however, revealed the fact that the wound was superficial and probably "It may be the passing of the suf-

wound was superficial and probably "It may be the passing of the suf-suffered in a fall as he staggered into frage law in Illinois or it may be the Reilly was released within a few their new interest in live present-bours. Iden was about 40 years of age. His former home was in Oscaloosa, ia., where he is thought to have relatives living. An effort is in the last year."
